### § 2741.9 Patent provisions.

(a) All patents under the act shall provide that title shall revert upon a finding, after notice and opportunity for a hearing, that, without the approval of the authorized officer:

(1) The patentee or its approved successor attempts to transfer title to or control over the lands to another;

(2) The lands have been devoted to a use other than that for which the lands were conveyed;

(3) The lands have not been used for the purpose for which they were conveyed for a 5-year period; or

(4) The patentee has failed to follow the approved development plan or management plan.

(b) Patents shall also provide that the Secretary of the Interior may take action to revert title in the United States if the patentee directly or indi-

rectly permits his agents, employees, contractors, or subcontractors (including without limitation lessees, sublessees, and permittees) to prohibit or restrict the use of any part of the patented lands or any of the facilities thereon by any person because of such person's race, creed, color, sex or national origin.

## Subpart 2742—Recreation and Public Purposes Act: Omitted Lands and Unsurveyed Islands

SOURCE: 44 FR 41794, July 18, 1979, unless otherwise noted. Redesignated at 50 FR 50301, Dec. 10, 1985.

### § 2742.1 Lands subject to disposition.

Omitted lands and unsurveyed islands may be conveyed to States and their local political subdivisions under the provisions of section 211 of the Federal Land Policy and Management Act (43 U.S.C. 1721).

[50 FR 50301, Dec. 10, 1985]

### § 2742.2 Qualifications of applicants.

States and their political subdivisions are qualified applicants.

### § 2742.3 Survey requirement.

(a) Islands. (1) Survey is not necessary. However, unsurveyed islands shall be determined by the Secretary to be public lands of the United States.

(2) Islands shall be surveyed at the request of the applicant, as provided in part 9185 of this chapter.

(b) Determination as to whether lands, other than islands, are public lands of the United States erroneously or fraudulently omitted from the original surveys shall be by survey. Surveys shall be in accordance with the requirements of part 9185 of this title.

### § 2742.4 Conveyance limitations.

(a) No conveyances shall be made under this section until the relevant State government, local government, and areawide planning agency have notified the Secretary as to the consistency of such conveyance with applicable State and local government land use plans and programs.

(b) At least 60 days prior to offering for sale or otherwise conveying public lands under this section, the Secretary shall notify the Governor of the State within which such lands are located and the head of the governing body of any political subdivision of the State having zoning or other land-use regulatory jurisdiction in the geographical area within which such lands are located in order to afford the appropriate body the opportunity to zone or otherwise regulate change or amend existing zoning or other regulations concerning the use of such lands prior to such conveyance.

(c) Conveyances under this section may be made without regard to acreage limitations contained in the Recreation and Public Purposes Act.

**§ 2742.5 Consistency with other laws.**

The provision of the Recreation and Public Purposes Act prohibiting disposal for any use authorized under any other law does not apply to conveyances under this subpart.

**Subpart 2743—Recreation and Public Purposes Act: Solid Waste Disposal**

SOURCE: 57 FR 32733, July 23, unless otherwise noted.

**§ 2743.1 Applicable regulations.**

Unless the requested action falls within the provision of § 2743.2(b), applications filed or actions taken under this subpart shall be subject to all the requirements set forth in subpart 2741 of this chapter except §§ 2741.6 and 2741.9.

**§ 2743.2 New disposal sites.**

(a) Public lands may be conveyed for the purpose of solid waste disposal or for any other purpose that the authorized officer determines may include the disposal, placement, or release of any hazardous substance subject to the following provisions:

(1) The applicant shall furnish a copy of the application, plan of development, and any other information concerning the proposed use to all Federal and State agencies with responsibility for enforcement of laws applicable to lands used for the disposal, placement,

or release of solid waste or any hazardous substance. The applicant shall include proof of this notification in the application filed with the authorized officer;

(2) The proposed use covered by an application shall be consistent with the land use planning provisions contained in part 1600 of this title, and in compliance with the requirements of the National Environmental Policy Act of 1969 (42 U.S.C. 4371) and any other Federal and State laws and regulations applicable to the disposal of solid wastes and hazardous substances;

(3) Conveyance shall be made only of lands classified for sale pursuant to the procedures and criteria in part 2400 of this title;

(4) The applicant shall warrant that it will indemnify and hold the United States harmless against any liability that may arise out of any violation of Federal or State law in connection with the use of the lands;

(5) The authorized officer shall investigate the lands covered by an application to determine whether or not any hazardous substance is present. The authorized officer will require full reimbursement from the applicant for the costs of the investigation. The authorized officer may, in his or her discretion, make an exception to the requirement of full reimbursement if the applicant demonstrates that such costs would result in undue hardship. The investigation shall include but not be limited to:

(i) A review of available records related to the history and use of the land;

(ii) A visual inspection of the property; and

(iii) An appropriate analysis of the soil, water and air associated with the area;

(6) The investigation conducted under paragraph (a)(5) of this section must disclose no hazardous substances and there is a reasonable basis to believe that no such substances are present; and

(7) The applicant shall present certification from the State agency or agencies responsible for environmental protection and enforcement that they have reviewed all records, inspection reports, studies, and other materials
